Barn Updates

Our Barn Project is almost done! Tom Martin and crew have done a wonderful job with the barn so far. They will be spending the spring/summer putting the finishing touches on the barn before we unveil it as the secondary feature at this years show. Speaking of work, Tom is looking for some helpers to work May 24th - 31st. He has lot's of small projects in mind. Please call Tom at (715) 574-1020 for more info.

The Grand Opening for the barn will be Friday night of our show. We will have a very special guest to break the floor in right! This will be the only Polka Band Playing on Friday night. They have played all over the Midwest and we were fortunate enough to secure them for our show. Please join us in celebrating the Grand Opening of the Barn with **Mollie B and Squeezebox!!**

Women's Committee

We are looking for a Chairperson to head this committee. If you are interested, please call Linda Berens @ (715) 423-3044 for more info.

Member Information Updates

The new updates to the By-Laws were passed at the March Meeting.

Also, we have been working on the Standard Operating Procedures. The SOP's will include Membership Rules and the updated Membership Application.

The club is also looking into how we will be awarding admission to the show for the work done in the prior year. So now would be a good time to start thinking on how you will be donating your time or talent to the club. We need all of your help to make our show a great one!
